Join Alive & Free and 300 of our closest friends to celebrate 30 years of spreading the message of non-violence, of healing and uniting young people, setting them up for college and successful careers, and empowering them to be exemplary leaders in their communities.

To date, 225 young people have graduated from college with scholarships from Alive & Free, 60 of whom have gone on to receive graduate degrees.

Together, we can invest in the next generation of young people and empower them to stay Alive & Free... And Educated!
